**ORDER:**

In the letter 1<sup>st</sup> read above, the Collector & District Magistrate, Medak at Sangareddy has informed that Medak District has received less rainfall during this year, leading to fodder / drinking water shortage to the livestock in the district. He has further informed that the dairy farmers were encouraged to grow up individual fodder cultivation by providing fodder seed subsidy basis from July to February / March. At this juncture, the district administration desires to save the livestock for the next (3) months especially during April, May and June.

2. The Collector has further informed that in view of drought conditions prevailing in the district, a detailed fodder contingency action plan is prepared for Medak district and the details are as follows:

**Livestock Population**

- |                       |              |
|-----------------------|--------------|
| 1) Cattle             | : 4.42 Lakhs |
| 2) Buffaloes          | : 4.37 Lakhs |
| Total livestock units | : 8.80 Lakhs |

**Fodder Situation:**

- a) The fodder calculations were made on the availability fodder from crop residues, cultivated fodder and other sources.
- b) There is a deficit of fodder to the tune of 13207 MT in the district which has to be fulfilled by adopting the following mitigation measures.

**Organization of Cattle Camp:**

It is also proposed to organize Cattle Camps initially in the district at one place at **Narayankhed Constituency** where assured water is available for the animals as per the necessity and in accordance with the SDRF / NDRF guidelines.

3. The Collector has further informed that an amount of Rs. 210.50 Lakhs is required for organization of cattle camps in the district as per NDRF revised guidelines @ Rs.70/- per Cattle per day has to be incurred for conducting Cattle Camp.
